Respected sir

Kind attention is invited on the previous communication to NIC on the same, wherein the under taking by Police was given and the copy of the letter addressed to AS Home with draft letter in the prescribed format submitted to AS Home for your kind information. It is understood that you have not received any undertaking from AS Home till date. It is learnt that AS Home had requested SP(HQ) to sign the undertaking. Is it admissible and acceptable, please confirm. It is also added that

In this juncture, please find enclosed the letter from ERNET attached herewith regarding "disabled friendly scheme" of GOI, wherein permission was sought from NIC and it is pending.

It is well known that Puducherry Police Website in "not dynamic" just HTML pages only.

As per the ERNET proposal, upon making the STATIC HTML pages of Puducherry Police Website as "disabled friendly", they will issue the nominated out sourced agency will conduct **SECURITY AUDIT CERTIFICATE** as per MoU with GOI / ERNET. As discussed with Secretary IT, it is cleared that ERNET had incorporated Security Audit.

In this juncture, conduct of security audit for Puducherry Police Website **TWICE will become** financially objectionable . Finance Department / AG Audit and DAT will not permit.

ERNET had also sent 3 remainder to submit the website content HTML pages for making **disabled friendly**, but it is pending awaiting concurrence from NIC Puducherry,

Hence it is requested to consider the above and advice accordingly to proceed further, please.
