Dear Sir,

As you are aware that a website "Indian Police In-Service of the Nation" (www.police.gov.in) was inaugurated by the Hon'ble Prime Minister of India during the DGsP/IGsP Conference-2015 at Rann of Kachchh, Gujarat. The twin objectives behind launching and maintaining this Website are to keep the general public informed about the outstanding work being done by our brave and hard working Police officials for giving relief and succour to the members of the public and to highlight martyrdom of our brave Police Officers and Jawans who have made the supreme sacrifice in the line of duty.

2. This website which was launched in Dec. 2015 is going to complete two years of its existence in near future. We are regularly receiving the instances of good work being done by Police from your side and are updating the website on a daily basis. Similarly, information about our brave Police Martyrs is also being uploaded on the website.

29/1/18

3. While going through the instances of good work being done by the State Police Forces being received here and also based on public feedback, it has been observed that many minor local level achievements such as recovery of small quantities of Ganja/Poppy-husk, apprehension of petty thieves/pick-pockets, etc. are also being sent for being uploaded on the Indian Police Website. It may kindly be appreciated that being a national level website we need to highlight only big-ticket achievements involving arrests of major gangs of criminals/traffickers/kidnappers/contract killers, launch of public contact or community engagements schemes or inauguration of citizen friendly initiatives etc. which are considered appropriate for national level projection. Interesting human interest stories of tracing of missing children, major recoveries of stolen/looted property etc. can also be highlighted.

4. It is, therefore, requested that the team at the State Police Hqrs. which is in-charge of sending inputs about Police achievements may kindly be sensitised to keep this aspect in mind before sending lists of achievement for being uploaded on the Indian Police Website.

5. Secondly, I would also request you to inform all the officers of State Police to regularly visit the Website and send us their feedback and ideas about how to improve the website and take it to the next higher level.

With Best Wishes,

Yours sincerely,

Manoj Yadava
