Joint Director &
Conference Secretary

Kindly refer to our Memo issued from File No. 11/Police(L)/2016(16) dated February 13, 2017 forwarding therewith recommendations of DGsP/IGsP Conference - 2016.

2. One of the directives of the HM (Sl. No. 21) was as under -

"It was recommended that Rajasthan model of grading police stations be adopted by all the States/UTs. The facilities may be provided in the police stations according to the grading. This would bring healthy competition, ultimately resulting in improvement in law & order situation, crime prevention and prosecution rate. Director, IB to develop a uniform model for ranking police stations in the country and identify 10 best police stations on the above model for honouring the officers in the next DGsP/IGsP Conference."

3. Accordingly, Director IB has approved the following mechanism to identify 10 best Police Stations (PSs) in the country:

- (i) A National Level Committee has been constituted under the chairmanship of DIB comprising DGsP of Assam, Bihar, Karnataka, Maharashtra, Rajasthan, DG BPR&D and Director SVPNPA for finally selecting the ten best Police Stations in the country.
- (ii) As the Head of Southern Regional Coordination Committee (senior most DGP in the region), you are requested to form a sub-committee of 4-5 officers from the States/UTs under your jurisdiction in consultation with respective DGsP of the region.
- (iii) All the DGsP who are members of Southern Regional Committee may be asked to submit names of 4-5 PSs from their respective States/UTs on the basis of the parameters proposed by BPR&D (copy enclosed).

- (v) In September, the National Committee would go through the recommendations of regional committees with regard to 20-25 PSs from all over the country and then decide the 10 best PSs.

4. I shall be grateful if you could kindly initiate action accordingly in accordance with the above mentioned mechanism to ensure compliance of the directive of Hon'ble Union Home Minister.

Yours sincerely,
