

OFFICE OF THE DIRECTOR GENERAL OF POLICE
PUDUCHERRY

Dated: 31.03.2018

P R E S S N O T E

Today, one Face Recognition Software called "Facetagr" was launched by DGP Thiru Sunil Kumar Gautam at Police Headquarters. This Application can be used to identify the details of any suspected criminal found during the patrolling or during interrogation of the suspects.

Through this application the details of any suspect can be cross checked from the available records maintained with Puducherry Police and Tamilnadu Police.

Initially this application will be loaded into the mobile phone of all Beat Offers, SHOs of all the Police Stations and Sub-Division Superintendents of Police. They can find out the antecedents of any suspected criminal in a matter of seconds. This application will speed up investigation and detection of various cases.

During the meeting SSP, Headquarters Tmt. Apoorva Gupta, SsP Sub-divisions and SHOs were present. The representative of Company M/s FACETAGR namely Vijaya Gnanadesikan, Ilango and Madan Chandrasekaran were also present.
