Sub: Issue of 'Traffic Violation Slip' by the Police Personnel – Regarding.

-oOo-

It is noticed that many traffic violations occur before our eyes, but go unnoticed, thinking that it is the job of only Traffic Police to challan such vehicles involved in traffic violations, which is incorrect. Such attitude encourages willful violators and leads to loss of respect for traffic rules, which ultimately, diminishes the image of Police in general.

2. The Traffic Police is suffering from severe manpower crunch and is unable to cope with the workload. Therefore, in order to enforce the traffic rules in Puducherry in an effective manner, it is an imperative that the local Police should extend helping hand to control such violations.

3. A 'Traffic Violation Slip' has been devised and the same shall be carried by all the Police Personnel including the Beat Officers while on duty. Whenever a traffic violation is noticed, the same shall be entered into it and handed over to the SHO, who in turn, shall issue a 'Police Notice' to such violator for further necessary action as per law.

4. The SDPOs, CIs & SHOs shall brief the Police Personnel during Roll Calls on this aspect and ensure that the prosecution of traffic violations is increased. The SHOs shall collect the 'Traffic Violation Slips' from the Office of the undersigned immediately.

5. A weekly report of number of such Police Notices issued, shall be sent to the undersigned by all SHOs through their respective SDPOs without fail.
